SIZE Really Does Matter !

DO YOU WANT A BIGGER, THICKER, LONGER PENIS?

PENIS SCIENCE 101

When it comes to the chemistry and mechanics of the penis there are many components to take into account. Unfortunately most pills on the market, even prescription pills, only address one, maybe two of these components. You probably know that testosterone is a major trigger for penis function but what about nitric oxide ? Medicos have long known of the benefits of nitric oxide but it was only recently that the wonders of this molecule and its role in the function of the male member was discovered. So important was the discovery that the three pharmacologists who made the discovery were awarded the Nobel prize. Nitric oxide works on the vascular system and is an integral component in aiding the flow of blood into the penis thus providing for maximum growth potential.

CONCENTRATED FORMULA

The ingredients of Testrone with Tongkat Ali have been shown to increase both testosterone and nitric oxide in the blood. Only the strongest potency herbs are used in our formula. The Tongkat Ali is imported from the most reputable sources in Asia. This herb has been used by men throughout Asia for centuries to increase desire, libido and performance in the bedroom

GUARANTEED RESULTS

Get serious about having the longest, biggest, thickest penis possible. Don't waste any more time on creams, sprays or products that have not been proven. Start seeing real results in the shortest amount of time with Testrone with Tongkat Ali !

Imagine when your partner sees how thick and long you are. Eliminate worries about going soft or coming too soon. Maintain virility so that you can increase the number of times you can perform.

This new highly concentrated formula makes all the difference in the world. Never before has there been an all-natural formula that works as fast and effectively as this product. To increase the size and power of your penis you need a solution that works. You won't find a more potent formula for growth and development !

SOPHIE'S GOT TALENT

And by talent, we mean great bosoms!

WHAT does super-amazing **Sophie Monk** do when she's in between seasons as a judge on telly's *Australia's Got Talent*?

Well, the 36-year-old singer/actress/all-round spunkbubble poses for arty topless shots like these – which is time well-spent, we reckon!

She dropped togs for top-tier American snapper Tony Duran, who knows a thing or two about celebrity photography...well, more than two things, actually.

For further proof check out his classy website (www.tonyduran.net).

Soph posted one pic (see above) on her Instagram account with this cheeky caption: "Thanks for giving me a scarf... But someone give me a T-shirt???"

No offence, mate, but NOT ON YOUR LIFE!

Those choozzies are too good to be covered up by a bloody shirt!

Caitlin's keen to go down…under!

PHOTOS BY JAMES RUDLAND

‘MY BUM GETS ME INTO TROUBLE!’

A FEW months back, gorgeous **Caitlin Wynters** screamed, "I need a man!" on our cover. Now she's back by popular demand! We interviewed Caitlin…and found out she's coming to Oz! Maybe she'll find her perfect bloke Down Under. Maybe it'll be YOU!

YOUR first pictorial in the mag proved mega-popular with our readers, who raved about your hot bod. What's your best feature?
"Wow, that's awesome! I like my eyes and my bum! My eyes get me out of a lot of trouble. My bum gets me into trouble!"

Ever been to Oz, mate? What do you know about the place?
"I've never been but I hope to come over in November! I actually know nothing about Australia, so I'll need a tour guide and a spider-squisher!"

What's the perfect "I wanna get picked up" outfit in your wardrobe?
"I love midi skirts and crop tops – they cling to my bum and show off my small waist and, of course, my boobs."

Speaking of which, how soon is TOO soon to comment on your chebs?
"Some guy did it on a first date and it really put me off. The trick is to act like you know women have tits and you're not THAT excited about it, guys. Wait till we're in the bedroom!"

'I'M HORNY ALL DAY MOST DAYS'

Who's were the last breasts you grabbed and where?
"A girl called Lacey at a pub in London. I grabbed a few things of hers, actually, but that's another story."

Your celebrity fantasy shag?
"Channing Tatum, all day long."

Got a fave alcoholic beverage – and can you skol a pint?
"I'm a wino! If 'skol' means 'down it', I'll have a good go. Tequila shots are more my thing!"

What's your best hangover cure?
"I love anything orange, I don't know why, so I like Fanta, Berocca or, failing that, champagne and orange juice always helps!"

Do hangovers make you horny?
"The hangover horn! Yeah, as long as I don't feel actually sick, then I'm horny all day. But I'm like that most days."

How does a night on the town with some Aussies sound?
"It sounds amazing! I can't wait for November!"

BUST FROM THE PAST

JUST when we thought Lindsay Lohan had retired from acting to doing...erm, whatever the fuck she does nowadays, the 29-year-old suddenly appears at The Annual Asian Awards in London. And proves why she'll always be a paparazzo's wet dream by wearing a sheer outfit and no bra. Oh yeah, she may never appear in another film, but she'll always be our fave Hollywood actress.

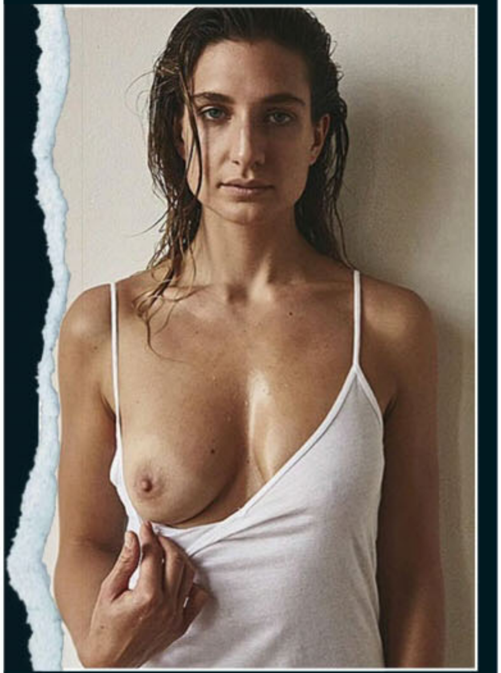
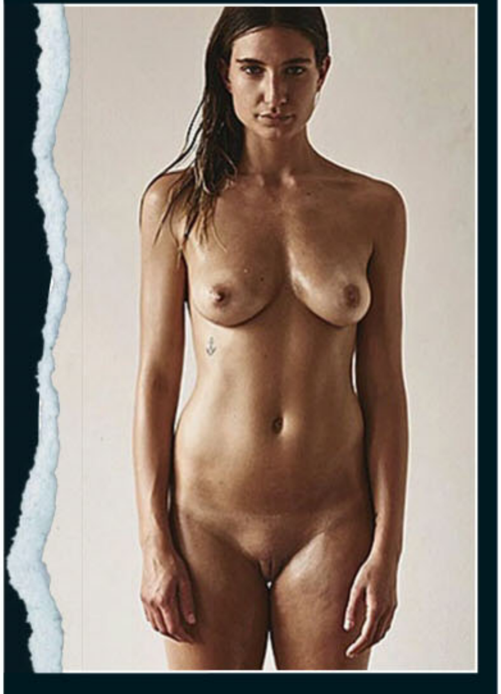
STOUTE SPROOKJES

ALEX APPEAL

WHO is Alexandra Apostolidis? Well, she's a 20-something Aussie fashion designer and model who's very comfy modelling her blessed-by-nature bod minus clothing in sophisticated publications such as *P Magazine*. "I tend to dress quite minimal," Alex recently commented. Yeah, mate, we can tell.





BRA WARS

THE DEVIL IN MISS JONES

WITH the recent release of the trailer for *Rogue One: A Star Wars Story* (which hits cinemas at the end of the year), it seems as good a time as any to focus on the film's star, **Felicity Jones**. Specifically, let's focus on the 32-year-old Brit's triffic ta-tas, as seen in 2003 TV series *Servants* (below left). And the discreet nudity she reveals in 2011 movie *Chalet Girl* (below). It's enough to make Han indulge in some Solo fun!

NIP HOP

EVE OF DISTRACTION

WHEN she turned up for the premiere of *Barber Shop: The Next Cut*, veteran rapper Eve decided to give LA rubberneckers a peek at her next big TIT…er, hit. NO! We mean her latest RACK…sorry, track. WAIT! Whatever the hell it is, this is one RELEASE we wanna get our hands on!

RIHANNA WATCH

MUSIC NIP

THIS job requires us to watch a surprising number of **Rihanna** music videos. This could drive lesser men insane, but not us…thanks to the huge amounts of beer we consume before we go on YouTube. This time, we're closely studying Ri-Ri's new clip for her latest hit *Kiss It Better*. And we wish she would…as long as she doesn't mind cleaning up the mess afterwards.

ALL SHOOK UP

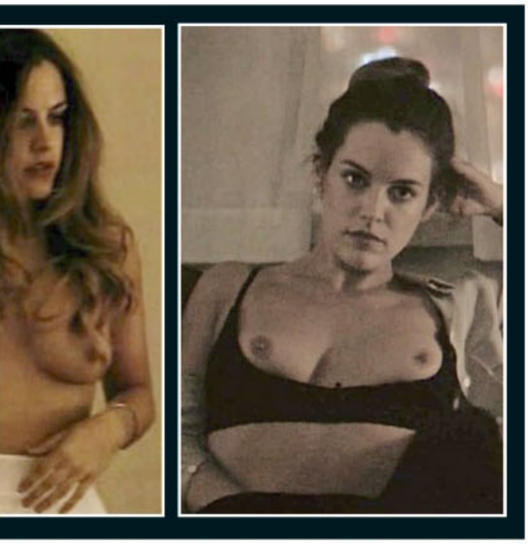
LIFE OF RILEY

IF ELVIS was dead – and we all know he isn't, right? (wink, wink) – he'd be rolling in his grave to see his granddaughter **Riley Keough**, 26, flashing her JAILHOUSE RACK in adult TV drama *The Girlfriend Experience*, in which she plays a high-priced callgirl. After seeing her tits, all we can say to Riley is, "Thangyewverrymuch."

IN THE NICKY

MY KITCHEN RUDE

AUSSIE actrine **Nicky Whelan** continues to make us proud as she conquers America, one bare boob at a time. In a recent ep of *House Of Lies*, the 34-year-old ex-*Neighbours* star decides to get frisky in the kitchen. Hey, you can't make an omelette without breaking a few eggs…and baring baps, apparently.



REMY LaCROIX

IT MAY not seem obvious when you check out the 27-year-old nympho's filmography (including *Big Ass Toys* and *Screaming Ass Gasms*), but Remy LaCroix really ISN'T obsessed with butt sex. Take her latest effort, the romantic couples flick *Art Of Romance Vol. 5* (see last issue's *Porn Watch*). Not a single butt plug or string of anal beads in sight.

HITOMI TANAKA | 29 | JAPAN

BOOB-ZIL

Her monster chebs will rampage all over your cock!

LIKE Godzilla, King Kong and their oversized mates with anger management issues, super-stacked sex siren **Hitomi Tanaka** is DANGEROUS FOR YOUR HEALTH.

In the same way those big critters stomp through cities and destroy everything on sight with their atomic breath, the 29-year-old spunk – who won the Most Spectacular Boobs Award at the 2016 AVNs – uses her BIG BAPS as weapons of MAMS DESTRUCTION in the Japanese jiz biz!

started in porn in 2007," she said, "'cos my agent saw me and liked my body. He told me I had a good talent for pics."

Clearly, "good talent" is code for "speccy 32JJ chesticles". How speccy?

"They're very sensitive," Hitomi moans. "One little touch of my nipple and I get very horny. My favourite part of sex is when guys touch my breasts and suck them. It gets me crazy."

When she isn't titty-fucking Oriental guys till they explode with delight or generally sucking peen like a champion, our heroine enjoys flicking the bean EVERY DAY.

"A busy day would see me playing with myself three times. I'll idly play with myself while watching teevee sometimes. I used to only use my fingers, but I've also been making use of vibrators…they don't get tired like my fingers do."

Hitomi's also a huge fan of creampies – or *nakadashi* as the Japanese call them: "I love *nakadashi*, so opportunities where I can truly communicate with my partner and feel every bit of him are ones I enjoy doing the most. It's the purest form of having sex."

Just don't destroy our dicks with your BRA-BUSTERS in the process, mate.

FEMME FACTS

BIG boob fans adore this Japanese love goddess and the wonderful things she does with those giant gongs in her pornos: “I love using my breasts in a sex scene. I know it makes everybody horny and I like it!”

GROPE OPERA

CHEESY daytime soaps like *Days Of Our Lives* and *The Young And The Restless* are ripe for PISS-TAKING with their overly complicated plots and LONG…DRAMATIC…PAUSES whenever the actors are talking to each other.

So give Adam & Eve director Will Ryder – no stranger to porno parodies – credit for tackling these dopey TV dramas in his sex-saturated sequel to *The Young & The Rest Of Us*.

The flick's plot exposes the dark secrets hidden in a sleepy Seppo college town. Turns out everyone is knee-deep – or is that BALLS-DEEP? – in bad behaviour both in and out of the bedroom.

Just like regular soapies, *TY&TROU2* is chockers with shit acting from the likes of **Bentley, Chloe Amour** and **Josie Jagger**, but as they're nude and getting fucked hard while awkwardly delivering their lines, we'll let it slide.

FOREVER AMBER

SAD news to report with the passing of 10-year veteran **Amber Rayne**. The 31-year-old was found dead in her LA home earlier this month.

Amber was a hard-working starlet who appeared in more than 500 films, including *Buffy The Vampire Slayer XXX* and *Iron Man XXX*.

"She was a really good friend, and one of the best actresses and performers I've ever had the pleasure to work with," said director Stormy Daniels. "I'm just glad I had the opportunity to work with her and call her a friend."

Amber was a professional actress – holding a Bachelor of Arts in Theatre Arts – and was starring in a musical when she quit to enter the adult film industry in 2005.

She was passionate about horses and music, revealing in a 2013 interview, "Aside from my career I'm still what could be considered the average everyday girl."

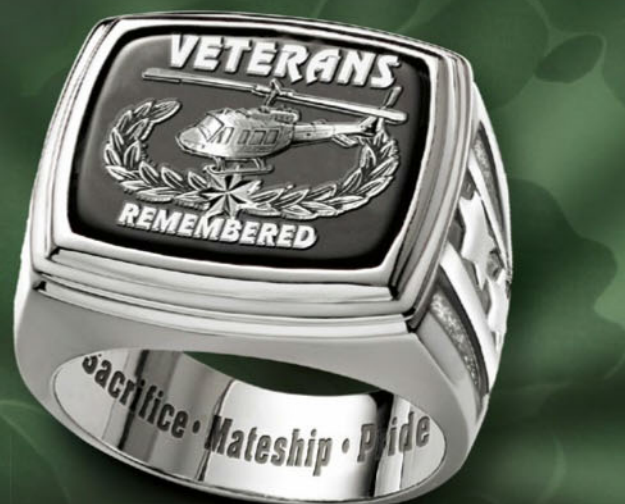
Honouring Those Who Were Only 19
Veterans Remembered Ring



They were the forgotten diggers. A generation of young men who fought for Australia like their fathers before them. But they returned as outcasts, casualties of a war nobody understood. Yet time heals the injustices of the past. Now they are heroes, as revered as the warriors of Gallipoli, Tobruk, Kokoda and Korea. The Bradford Exchange is proud to honour the servicemen of Southeast Asia with the "Veterans Remembered Ring", available only from The Bradford Exchange.

A Moving Achievement in Craftsmanship and Design

As a bold salute to our Southeast Asia heroes, this handsome ring has been precision-crafted by the Master Jewellers of The Bradford Exchange and plated in sterling silver for an elegantly gleaming finish. The famous Iroquois 'Huey' chopper looms large and proud in a rich silver-tone from a bed of genuine black onyx. The defining symbol of a generation, the 'Huey' is surrounded by the words 'Veterans Remembered' and a laurel wreath, the eternal symbol of the hero. Each side is flanked by military stars in dramatic raised-relief, while the inner band is engraved with the words every veteran lives by: *Sacrifice* • *Mateship* • *Pride*. More than fifty years after the first troop deployment, this message resonates stronger and more meaningful than ever before.

Exceptional Value with a Money-Back Guarantee

If you served in Southeast Asia, the "Veterans Remembered Ring" will stand as a proud tribute to your service. It also makes a meaningful keepsake for the family and friends of a veteran. This ring can be yours for just $149.97, payable in three easy, interest-free instalments of $49.99, plus $14.99 postage and handling, fully protected by our world-famous 120-day money–back guarantee. Individual hand-crafting is a time intensive process which may limit the supply, so you need to reserve your ring fast. Send no money now. NEWS TO US

Our fuckwit Bogdan presents another dose of weirdness

SAUSAGE ROLLS

AN OBESE dachshund who once weighed 14kg – about the same as a four-year-old – has ditched half his size after embarking on a tough fitness regime. "Fat Vincent" was living off a diet of junk food after his owner died, but now "Skinny Vinnie" could get a job as a Jenny Craig spokesdog.

FUCK-OFF FACTS

- Ten trillion kilometres make up a light year. Well, almost. So if you tell a girl you'd walk a light year for her, she'd better be impressed!
- Remember when *The Simpsons'* Homer Simpson ate fugu? The puffer fish contains a toxin 1200 times deadlier than CYANIDE and just one of them can kill 30 people. FUGU HELL!
- In 2008, a British teenager changed his name to Captain Fantastic Faster Than Superman Spiderman Batman Wolverine Hulk And The Flash Combined. Beats boring George Garratt any day.

CRIME OF PASSION

THE manager of a sex shop in Saltcoats, Scotland was fuming after a randy thief pinched an "extra-stimulating vibrating ring" from its packet before walking out and not paying. But the store boss had the last laugh and a message for the thief: "I hope you managed to give your partner a pleasant evening – however, you have been caught on CCTV!"

YOU RAT BASTARD!

CHECK out THIS fuck-off-monster, quite-possibly-on-steroids rat! The furry giant – or Master Splinter, as he liked to call himself – was snagged by Pommy pest controllers in Grimsby. The horrified rat-catchers reckon it's the BIGGEST rodent they've seen in decades.

CATCHING a streaker was probably the last thing on this poor security guard's mind during the recent NRL game between the Rabbitohs and the Roosters in Sydney. We're not certain, but it looks like the guard's deliberately lagging behind, probably to avoid tackling the sweaty fella. Can't say we blame him.

CUMMING OF AGE

We look at **FIVE** of the hottest MILFs in porn!

DON'T let a few wrinkles and grey hairs fool you, readers – these MILF adult film actrines blow away their younger rivals when it comes to fucking and sucking luck studs (and studettes). These cock-and-cunt-hungry cougars are living proof that experience beats youth every single time when it comes to being a GREAT ROOT!

KENDRA LUST 37

She says: "My fans understand how much time and effort it takes to be healthy and fit being in your 30s!"

CHERIE DEVILLE

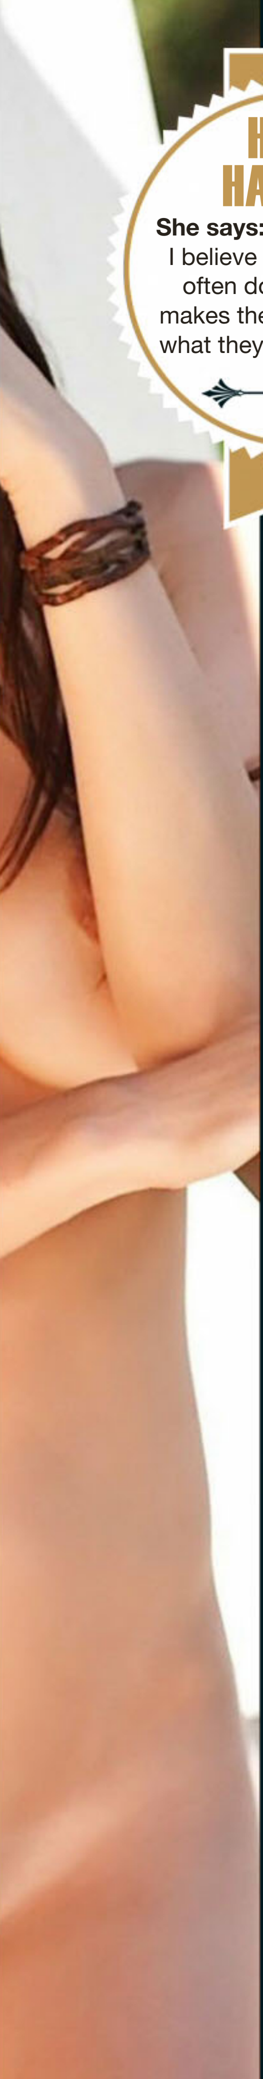
She says: “Porn just kind of found me late in life. Before then, I was a doctor of physical therapy. It’s my other career gig.”

ARIELLA FERRERA 37

She says: “If someone wants to label me a ‘MILF’ or ‘cougar’, I have no probs with it. It allows me to be aggressive in my scenes.”

JENNI LEE 34

She says: “When I’m not playing pro poker, I fuck. At my age I’ve learned that women think about sex as much as men...”



HOLLY HALSTON

She says: "Unlike cougars, I believe younger women often don't know what makes them feel good and what they want out of life."

PUBLIC ORIFICE

DIRTY POLITICS

Sex-mad MPs know how to flash their ballot boxes!

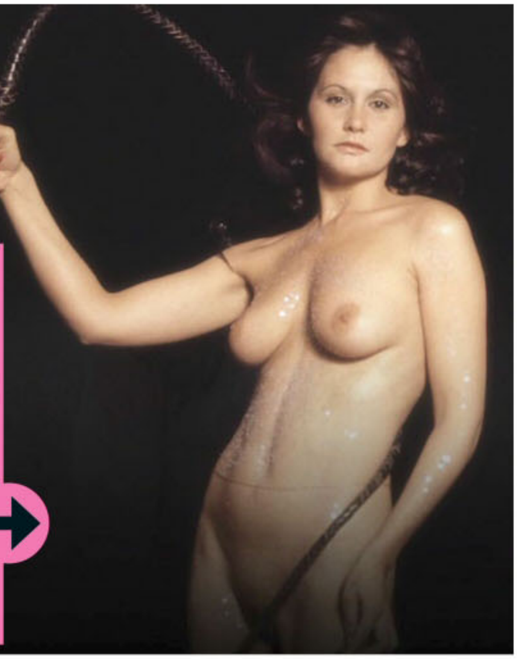
SOMETIMES it feels like every elected official is hiding stuff, from offshore bank accounts to secret plans to cut the shit out of health-care funding. Which is why it's so refreshing when a politician comes along who offers transparency – especially when that pollie is a former porn star. It stands to reason that a civic-minded lass who's allowed the public to see her FUCK ON FILM is far less likely to lie through her teeth about the state of the nation while taking backhanders from multinationals. Here are nine mucky MPs who'd definitely get our vote!

MIMI MIYAGI

If only more Nevada residents had been familiar with Mimi's fuck fillums, they might have voted her in as governor in 2006. Even those who didn't own DVD players shoulda realised they were onto a good thing when Mimi declared, "I'm a Republican 'cos I love to BARE arms and breasts!"

MARILYN CHAMBERS

The stick-flick legend (*Behind The Green Door, Insatiable*) had a couple of cracks at the office of US Vice-Prez, first for the Personal Choice Party, then for the Boston Tea Party. We reckon she'd have done way better representing the My Pornos To Be Shown On TV Every Night Party.



LINDA LOVELACE

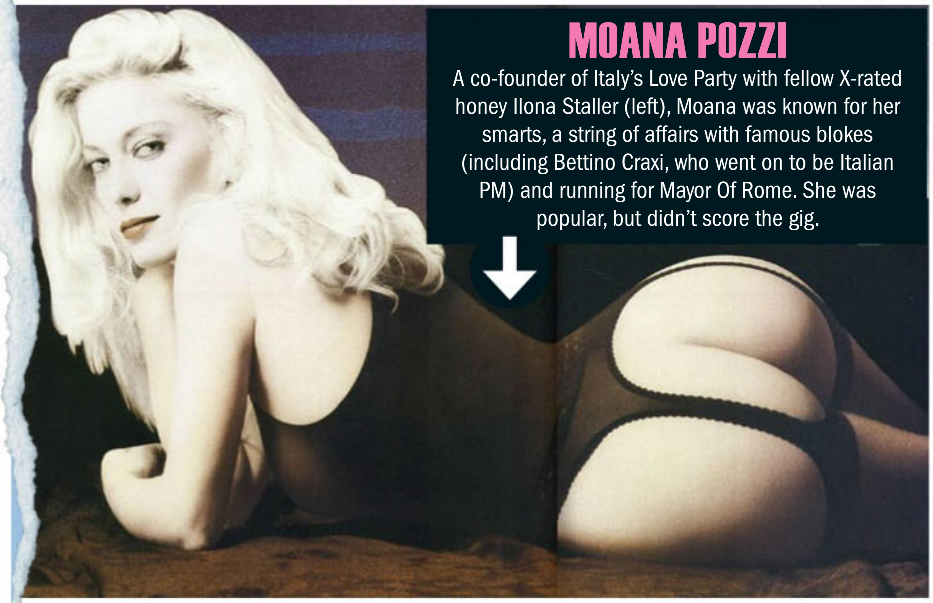
OK, we're cheating here, but who hasn't watched saucy 1975 comedy *Linda Lovelace For President*, then imagined lusty Linda in the Oval Office? "See her razzle that elephant! See her dazzle that donkey!" teased the poster, in reference to the traditional Republican and Democrat symbols and not hinting at more tawdry aspects of LL's X-rated career...

ILONA STALLER

Hungarian-born Ilona, aka "Cicciolina", was elected to the Italian parliament in 1987 and served until 1992. A campaigner for human rights, she offered to bonk both Saddam Hussein and Osama Bin Laden in an attempt to find peaceful solutions to problems in the Middle East!

MOANA POZZI

A co-founder of Italy's Love Party with fellow X-rated honey Ilona Staller (left), Moana was known for her smarts, a string of affairs with famous blokes (including Bettino Craxi, who went on to be Italian PM) and running for Mayor Of Rome. She was popular, but didn't score the gig.



MARY CAREY

Back in 2003, Mary ran for Governor Of California against Arnold Schwarzenegger – and finished a credible 10th out of 135. Bitten by the political bug, she next began working towards becoming a US presidential candidate, only to have to drop outta the race to care for her sick mum. Bugger.

JODIE MOORE

Former *People* pin-up Jodes went from glamma to X-rated stardom. But at the same time she was getting filthy on screen, the gorgeous Queenslander was also keen to clean up Oz politics. Alas, her two tilts at the senate and her attempt to become Mayor Of Brisbane weren't successful.

ZAHRA STARDUST

Lawyer, uni lecturer, policy-maker and *People* favourite Zahra was a candidate for the Australian Sex Party in the Bradfield by-election of 2009 (finishing third), the federal election of 2010 (polling 73,000 votes!) and she also threw her hot-pink hat into the Mayor Of Sydney race in 2012.

DIANA PANG

A darling of soft-core cinema, Di proved you can change your allegiance from electric blue to commie red by taking an active role in the Chinese People's Political Consultative Congress. No doubt her fellow members have since spent a lot of time "consulting" her old flicks.

INKED BABES

TIT FOR TATT

AS a bloke who's got more tatts than hairs on his ballsack, I'm loving the return of Model Citizens with ink done. I didn't know there were so many local girls walking around with such awesome art on their bodies!

Darryl, Vic

Variety's the spice of life, Darryl! And there's no better variety than the gals (like Fatum here) who get naked for our readers every issue, ink or NO ink. We love each and every one of them!

WIN!

HAVE youse seen how HOT Donald Trump's daughter is? Holy SHIT! I wasn't sure about him running for the White House before but he's got my vote now! If I was a voting American, I mean.

Diego, Qld

Not sure if he'd get our vote, Diego, but yep...Ivanka's smoking hot. She must take after her mother, Ivana.

THERE are so many good-looking women on TV these days that I have a hard time switching off. I could just watch various things for hours on end, much to my girlfriend's dismay. There's even talk of us taking the telly out of the bedroom! Cheers, just wanted to whinge.

PHOTOS BY DIGITAL DESIRE

SINCE her X-rated debut in 2013, **Noelle Easton** has made a name for herself thanks to her 38DD boobs and big butt, which jiggle mightily when she's fucking lucky fellas in every position discussed in the *Kama Sutra*. Yep, Noelle's young, fun and full of cum!

HEY, Noelle. Whatchoo up to right now?
"I'm just spinning around naked in a chair eating cookies."
Sounds fun! So...did you go straight from blowing out ▸

ICKSPHOTO

JOY Noelle

candles on your 18th birthday cake to blowing cocks on film?
"Ha! Actually, when I first started in porn I was already 18½, but I'd been stripping since I was 18."

Do you prefer guys jizzing on your face or on your boozzies?
"I like them to aim for my face and have the spunk drip down my tits."

How can a guy win your heart, sweet Noelle?
"I'm one of those girls who goes for personality over looks, so just be respectful and nice. Don't send me dick pics on my mobile …that's disrespectful."

And what's your philosophy with men?
"Keep his stomach full and his balls empty."

Noice! You're bisexual outside of porn. What sorta chick appeals to you?
"I'm super-picky. I like big boobs and a big ass…a full-figured woman."

> 'KEEP HIS STOMACH FULL AND HIS BALLS EMPTY'

Are you in the adult movie scene for the long haul?
"I definitely wanna stick around as long as possible. I love sharing my body with people and letting them look and enjoy."

That's the spirit. What fantasy would you like to fulfil in a movie, buddy?
"I'd love to do a cuckold shoot."

Mate, you can pussy-whip us anytime you like.

LUCKY DIP

WHAT'S the most surprising thing that's happened to you recently, Noelle? "I just went to a gas station that ran out of gas!"

NOTE TO SELFIE

Kim's career was built on her big arse!

The Butt and The Butthead

> **'YOU CAN'T BEAT A GOOD SEX TAPE TO KICK-START A CAREER'**

WHEN global – nay, galactic – superstar **Kim Kardashian** was in Oz in 2006, her role was as handbag carrier and drinks fetcher for the real star of the show, Paris Hilton.

Officially "stylist" to the blonde toothpick, Kimbo was mostly elbowed into the background when the cameras started to flash.

Even though it was pretty hard not to notice KK's massive booty behind Paz's bony backside, not many people even stopped to ask, "Who's that big-arsed woman?"

Well, things have changed. Kimbo now rules the world.

From perfume to clothing ranges to cosmetics to her own range of EMOJIS – called, with all due modesty, Kimojis – she's made a fortune out of flogging useless stuff to people who don't need it, and didn't know they even wanted it until she told them to buy it.

If sales start to slacken, all she needs to do is whack out another NUDE SELFIE to get the cash registers ringing again.

Now, she's become art: 10m-high murals of Kimbo, modelled on her selfies, have been popping up on walls in Melbourne and Sydney.

It's safe to say it's Kim Kardashian's world – we just live in it. So…how did this happen? Well, you can't beat a good sex tape to kick-start a career as a media celebrity.

Kim's came out in 2007, even though it had been recorded with her then-boyfriend, muso Ray J, back in '03. Not entirely coincidentally a few months later she got her first big break in the teevee reality/bullshit show, *Keeping Up With The Kardashians*.

Kimbo's propensity for dating cool African-American music dudes went all the way back to high school, when she was stepping out with Tito "TJ" Jackson Jnr, son of Jackson 5 member Tito Snr and nephew of Michael.

Of course, TJ's band 3T never did quite hit the big time, so by the time Kim was out of school and grown up she'd dumped him for R'n'B music producer Damon Thomas, with whom she eloped when just 19.

Sadly, the marriage didn't work out. Some things just aren't meant to be, and marriage to a NOBODY wasn't in Kimbo's cards.

By the time she divorced Tom she'd already made the tape with Ray J, but – would you believe it – that relationship soon hit the rocks, too.

She managed to move on, eventually pocketing a cool $5 million from Vivid as her cut of the profits from tape sales.

So the whole thing wasn't a complete waste of time then.

Temporarily tiring of the music industry types, she then hooked up with and married NBA player Kris Humphries.

Even though the marriage only lasted 72 days, she managed to turn a profit on it by releasing her "wedding" perfume, Kim Kardashian Love.

We only hope she cut Kris in on a percentage of the profits before she showed him the door in favour of current squeeze, and dad to her two rugrats, the irrepressibly up himself Kanye West.

So where to now for Kim? More selfies, more perfumes, more clothing lines. And more Kimojis, hopefully. We can't get enough of those.

PINOCCHIO and Geppetto were having a man-to-man conversation one evening. After a few drinks, Pinocchio confided to the old bloke he'd been having girl troubles.

"I've been seeing this chick for a little while now and I really like her. I wanna get her into bed, but I'm worried she might get splinters," he admitted.

Geppetto chuckled. "Splinters? Is that all? I've got one word for you, my boy. Sandpaper!"

Pinocchio was a bit sceptical, but agreed to try his suggestion.

A week later, Geppetto asked, "How did you get on with your female friend, son?"

"Her?" echoed Pinocchio. "Who needs girls when you've got sandpaper?!"

"Hear them?" said Powhatan, "No…side of face all sticky!"

Action is action

A YOUNG bloke moves to a remote mining town for work. After the first week, he's feeling kind of horny.

Walking into the town's only pub, he asks the bartender, "Any chance of some action around here?"

"What do you mean by 'action'?" asks the barkeep.

"Y'know, chicks."

"Nah," grins the barkeep, "But there's always Old Man Pete."

"No way!" says the young guy, appalled. "I'm not into blokes, thanks!"

But after nine months with no action, the young guy starts reconsidering his decision. Going into the bar again, he asks the bartender in a low voice, "Hey, if I were to go with Old Man Pete, who would know about it?"

"Nearly nobody," replies the bartender. "Just you, me, Old Man Pete and those two big gentlemen over there."

"Er, why the two other guys?"

"You'll need them to hold down Old Man Pete. He's not into blokes either."

"HONEY, the kitchen tap's been leaking for ages. Can you fix it?" Mary asked John one evening.

"What do you think I am, a plumber?" he scoffed.

"Well, could you take a look at the car? I think it has a flat."

John sneered, "What do you think I am, a mechanic?"

The next day, he came home to find the kitchen tap had been fixed and the car tyre changed.

"Did you hire tradies to do those jobs?" he asked his wife.

"No, that would have cost too much, so the guy next door offered to come over and do it for free. He said instead of payment, I could either bake him a nice chocolate mud cake or give him a blow job."

"So, I take it you made him the cake, right?" asked John.

Mary shrugged. "What do you think I am, a baker?"

A fish story

AN OLD pirate sits in a bar, drinking alone. After a while, the bartender goes over to make small talk.

“I couldn’t help but notice you look like you’ve been through a lot in your life. I’m curious to know how you got your peg leg.”

“Yarrr, me peg leg be a hair-raising tale indeed,” nods the pirate. “I was sailing the seven seas when my ship was suddenly besieged by an enemy boat. I fought off 12 curs with me bare hands, but as the last one was dying he gave a final swing with his cutlass, and it sliced me leg clean off.”

“Wow!” replies the bartender, “And what about the hook you have for a hand?”

“Well, I was leaning on the railing of my ship passionately caressing a beautiful noblewoman, when her diamond necklace came loose and slipped over the side. I reached out to catch it, but a monster shark leapt right out the water and bit off me right hand! Now I only have this hook.”

The bartender says, “You’re lucky to have survived. Tell me about your eye patch.”

The pirate looks very sad, then says quietly, “One night I was stargazin’ and a seagull flew over and shat right in me eye.”

“And that took out your eye?”

“Nah,” sighs the pirate. “That was the first day I had me hook.”

LEMMY:

THE DEFINITIVE BIOGRAPHY

By Mick Wall
Hachette Australia,
out April 26, RRP: $32.99

What's the guts? He was taken from us too soon, but Lemmy will never be forgotten – and this in-depth, funny and brutal study of the life of the charismatic frontman of Motörhead, written by his friend of 35 years, will go a long way to ensuring his memory lives forever.

Anything else? Lemmy joined his first band in the mid-60s and it was a wild ride from that moment on. Every highlight (and lowlight) is covered, including his time as Jimi Hendrix's drug-scoring roadie to being a key member of prog-rockers Hawkwind (till they sacked him) to the key moment in his career when he formed Motörhead. As Lemmy himself once stated, "Mick is one of the few rock writers who can actually write and seems to know anything about rock music. I can and do talk to him for hours. Poor bastard!"

Final word: This bio is ace…of spades!

WIN! WE'RE giving away THREE copies, thanks to our mates at Hachette. To get yours, **just tell us IN ONE SENTENCE why Lemmy rocked!** The three most memorable answers will get a book. Mark your entries "*Lemmy* comp".

LEMMY
THE DEFINITIVE BIOGRAPHY
MICK WALL

MOVING IN STEREO: THE BEST OF THE CARS

Rhino Records, out May 6, RRP: $74.99

What's the guts? The Cars were one of the best post-punk/new wave bands, kicking off with their first hit single, *Just What I Needed*, in 1978. For the next 10 years, singer Ric Ocasek and his mates were a constant in the music charts with such beaut tunes like *You Might Think*, *Shake It Up* and *Drive*. This new release collects the very best songs of The Cars in a one handy-dandy CD/two-LP package.

Anything else? *Moving In Stereo* has 18 songs, including the previously unreleased *Sad Song (Zdar Mix)*, a rare single mix for *I'm Not The One* and a live version of *Everything You Say*. Listen to the album and you'll know why The Cars sold more than 23 million albums in America alone.

Final word: The Rolls Royce of best-of albums.

WIN! THE revheads at Rhino Records and Warner Music Australia have sent us THREE CDs for this giveaway. To score a copy, **just tell us IN ONE SENTENCE your fave Cars tune**. The three most hard-drivin' answers will win a CD. Mark your entries "*Moving In Stereo: The Best Of The Cars* comp"

Hellions

Monster Pictures, rated MA, out now, RRP: $24.95 (DVD/Blu-ray)

What's the guts? Recently knocked-up teen Dora decides to spend Halloween night home alone contemplating her future. But the young mum-to-be finds herself fighting sinister trick-or-treaters who don't want choccy and lollies, they want Dora's unborn child! Under siege, Dora uses every weapon she can find to survive against the murderous, supernatural-but-tiny rapscallions from hell!

Anything else? *Hellions* made big waves at various film festivals last year and no wonder when you see that it was 1) directed by Bruce McDonald, who also made *Pontypool*, one of the most underrated horror flicks of this century; AND 2) stars movie veteran Robert *Terminator 2* Patrick!

Final word: Trick or treat, lady …or die!

WIN! THE fearful folk at Monster Pictures have sent us FIVE DVDs for this creepy comp. To enter, **just tell us IN ONE SENTENCE what you hate most about Halloween**. The five best (or is that worst?) answers will receive a DVD. Mark your entries "*Hellions* comp".

ORIGINAL SIN

Bite into Nancy's juicy apples and get wicked!

PHOTOS BY MET-ART

FEMME FACTS

Nancy traded the Gold Coast beaches for rural Tasmania, swapping a surfboard for an apple bucket. The fuckable fruit-picker moved south in the name of love, but things went awry when she was busted banging someone OTHER than her boyfriend! Everything's OK now, but.

NANCY | 19 | LAUNCESTON, TAS

WHADDYA do if you're a sunny Queensland lass who's fallen in love with an English lad? You pack up and follow him to Tassie as an itinerant fruit-picker, of course! **Nancy's** life was PEACHY till it all went PEAR-shaped…but she'll be APPLES, mate!

ARE you lucky in love, Nancy?
"I've had a couple of long-term relationships, but I cheated in both of them. I love chasing guys, but once I have them I get bored and start checking out other guys."

Is that what happened with your last fella?
"Kinda…I'd met Brian on the Sunshine Coast where we hung out every day for three weeks. When it was time for him to head south to Tassie and pick apples, I deferred uni and joined him. Mum wasn't too happy about it."

'I WAS ON MY KNEES SUCKING HIM OFF'

But things ended badly?
"Yeah…it was a beautiful day and Brian was in bed with a bad hangover. His mate Dave came over to our flat and we decided to go for a bushwalk. Before I knew it, he was leaning against a tree while I was on my knees sucking him off!"

As you do.
"I have to give Dave credit – he was a great fuck. He was behind me going REALLY hard when another bushwalker basically stumbled over us. She squealed and ran off – turns out she knew Brian and he eventually found out what we'd done."

Bummer. So, Nancy, you're a born-again single?
"Shit, no. I split up with Brian, but quickly hooked up with Dave and things are going pretty well…although I have to confess I have wandering eyes again."

BUMMIN' AROUND

I MET a chick online and went on a date. Stacey was pretty hot in real life, with a tight little bum and a physique that suggested she did gymnastics.

I kept checking her out whenever I could at the coffee shop.

When she asked me to walk her home afterwards I joked, "Only if you walk two metres ahead so I can perv on your arse!" She laughed at that.

We got to Stacey's and she told me her parents were gone for a trip, so we had the entire place to ourselves!

I took that as a sign and moved in for a pash at her front door, then fiddled with her nipples to see if she was keen for more.

Stacey took my hands and placed them on her butt.

"Have you ever done anal?" she asked with a cheeky/shy grin.

She walked into the kitchen and by the time I entered she was standing there in nothing but a thong. I pulled it to one side and began eating her pussy on the bench. Stacey was clean-shaven and her pussy smelled INCREDIBLE.

I fingered her and she jumped every time I brushed her sensitive clit. She was really turned on!

I parted Stacey's legs and kept eating her out until she climaxed. Next, she dropped to her knees and started sucking my tocko. She had great form and cupped my hands with her free hand. She rimmed me when she wasn't nibbling my balls.

‘I GRABBED THE BUTTER AND GREASED HER SPHINCTER’

I couldn't take anymore so I grabbed some butter from her fridge, spun her round and greased up her tight sphincter and my veiny knob as well. Soon we were going hell for leather as I ploughed her tiny poop-chute before we both hit the big O at the same time!

Thank the lord we had all evening to ourselves, so we could rest up and I could enjoy that glorious bum some more!

CATCHING COUGARS

SHE was 41 and I was 25. I'd seen her at work a few times, but was properly introduced to Eileen at a Friday drinks bash.

She said she was single, divorced and had been at the company for 12 years. I told her I was single and keen for some bedroom action!

We bonded over wrestling – she's a Brock Lesnar fan while I'm a fan of Kevin Owens – and a mutual love of the 'erb. Not wanting the entire office to see, she suggested meeting me out front where we could smoke a joint.

But I quickly worked out that she wanted me to head back to her house.

We barely got through the front door before collapsing in a messy tangle on her couch.

> ## 'I WAS KEEN TO UNLOAD MY SPOG'

Eileen expertly took off my pants and CONSUMED my meat'n'veg for the next hour. She was like a wild animal: growling, gnawing and trying to fit EVERYTHING into her mouth.

I'd never had a woman do this to me – if I hadn't been so keen to unload my spog, I might've been terrified.

Afterwards, we shared a spliff, then Eileen ran a shower for a bit of soapy-wank fun. I was quickly hard again.

I banged that mature pussy for ages, finally filling her cunt with my baby-batter while doing her from behind!

Trent, SA

BEERS'N'LEERS

THE wife and I love to play dress-ups, so I was stoked when Deb walked into the kitchen dressed as a Bavarian beer wench.

She has massive tits as it is, so watching her prance about in a dirndl, as the locals call it – her boobs pushed up and out in magnificent fashion – while grabbing me a cold Tooheys New from the fridge had me stiff in seconds.

Deb made me skol the beer, then took me to the lounge, where she slipped off her panties, sat on the couch and leaned back.

I got on my knees and dove straight in, worshipping her hairy altar. Meanwhile, she released her boobs and played with her nips, squirming in ecstasy. It felt amazing to lap at her juicy snatch!

After a few minutes, Deb told me it was my turn.

> ## 'I UNLEASHED MY MAN-MAYO ALL OVER HER FANNY'

We swapped positions and she gleefully tackled my dick like a Bavarian munching on a huge bratwurst!

I tried my best to touch her swingers, but eventually I decided I was better off sitting back and watching her work my beef wiener schnitzel with expert precision.

Deb's always SO enthusiastic about blowjobs that she usually pauses to give me sexy looks while slowing licking up and down my shaft.

"Grab my bloody pigtails," she demanded. That took things to a whole new level, so I ordered her to climb on top there and then.

At long last and with Deb's big beautiful baps right in my face, she sunk down and rooted me silly while still in that cossie.

To be honest I didn't last much longer than a minute and started yodelling as I pulled out and unleashed my man-mayonnaise all over her fanny.

Some of my jiz splashed on the outfit, but she reassured me it was OK 'cos she'd bought the thing outright, so we'd just get it dry-cleaned, no dramas.

It was a good thing too, since we had another go 10 minutes later and I blew a river of cum on her dirndl that time.
